PART 4

Answer the questions 9 – 11 according to the following text.

Read the text and select the correct word for each space. (Grammatical knowledge).

Pasta – Italy's Staple Food

Pasta is one of the most popular foods in the world. However, the precise origins pasta in Italy are not known. Some people believe that the explorer Marco Polo brought pasta back to Italy from China (12) the end of the 13th century, although there is evidence that pasta existed in some form in Italy much earlier than that. Pasta is a basic foodstuff that is (13) by mixing flour and water or egg, then forming the dough into shapes. The pasta can be cooked fresh or it can be dried and stored for cooking later. Similar types of food have existed for centuries all over the world, but (14) many people think of pasta as being a typically Italian food. The warm climate in southern Italy is ideal for drying pasta, and also for growing the main ingredients of many classic pasta sauces,(15) tomatoes, vegetables and herbs.

12. A. until B. towards C. over D. since
13. A. made B. make C. making D. do
14. A. back then B. today C. eventually D. rarely
15. A. like B. such as C. different D. similar

PART 5

Read the following text and answer the questions 16 - 20 (Reading comprehension).

Andy Warhol

The US artist and filmmaker Andy Warhol was a leading figure in the pop art movement and one of the United States' most commercially successful artists. He was born in Pittsburgh, Pennsylvania, in 1928, the fourth child of immigrant parents. Andy Warhol was a gifted and unusual boy who suffered from ill health as a child. He spent much of his time in bed at home, where he drew, listened to the radio and followed the lives of his favourite movie stars in newspapers and magazines. Warhol started his career as a commercial illustrator, but by the late 1950s he began to find fame and success as an artist. By then, Warhol was based in New York, where his famous studio known as The Factory became a fashionable meeting place for other unconventional artists, intellectuals and celebrities. Warhol is best known for his works that explore the relationship between art, celebrity and advertising, such as Campbell's Soup Cans and his silkscreen paintings of Marilyn Monroe. In addition, he produced over 60 films in his unique and controversial style. Although Warhol was criticised in his lifetime for producing popular art that made a lot of money, he is widely considered today to be one of the most innovative and influential artists of the 20th century.

16. Warhol had an unusual childhood because

A. he had a lot of friends. B. he was seriously ill. C. he read magazines. D. his parents

17. When he was young, Warhol practiced drawing

A. at home. B. at hospital C. at school D. at the university

18. Warhol first found fame as

A. a commercial illustrator B. a factory worker C. an artist D. an actor

19. Warhol's painting Campbell's Soup Cans is an example of his interest in

A. advertising. B. food. C. movie stars. D. music

20. Nowadays, Warhol is recognized to be

A. an influential artist. B. an excellent film director C. an eccentric person D. a musician
